BENNINGTON BRIEFS

News of the Town and Village Told Briefly for Busy Readers

Lorraine Huling, the former Bennington girl, opera house, Wednesday, Adv.

Walter Warren, who has been employed at Fillmore farms, is working for H. W. Myers & Son.

Mrs. Maude J. Gregg of Albany was the over Easter guest of her mother, Mrs. William E. Frost.

Frank Morgan of Woburn, Mass., was the guest over Easter of his mother, Mrs. Della Morgan.

Mr. and Mrs. Henry C. McCormick of Pittsford, former residents of Bennington, were the Easter guests of relatives.

Mr. and Mrs. S. O. Williams will entertain the "Double-Decker Club" at their home, on Main street, this evening.

Mr. Anthony Lodge will hold a special meeting Tuesday, April 25th, 7:30 p. m., for work on the Master Mason's degree.

Mrs. Eliza Crawford left Friday for Bridgeport, Conn., where she will be the guest of her daughter, Mrs. Eugene Stratton.

Mr. and Mrs. Enos Lathrop were in Arlington Sunday where they were the guests of Mr. Lathrop's mother, Mrs. Mary Lathrop.

Temple Chapter, R. A. M. will hold the regular meeting this evening, April 24th at 8 o'clock. Installation of officers and other business.

Mrs. Shirley Williams has returned from a several weeks' stay in Manchester, where she was called by the serious illness of her mother.

Miss Mary White has resumed her duties at The American House after being absent about a week, having been on a visit to friends in Boston.

Mrs. Mary Lathrop of Arlington and sons, Percy of Arlington and Eli of Schenectady have been guests at the home of Mr. and Mrs. Frank Sigward.

Miss Mariel E. Miller is visiting Mrs. Frederick C. Koons in Albany. Mrs. Koons was formerly Miss Lucretia Edgerton of Bennington and a graded school teacher.

"The Milk Trust" latest complete story of "Graft" suggested by Frederick Isham, author of "Black Friday," "The Strippers," etc. Opera house today, Adv.

News has been received here of the birth of a son to Mr. and Mrs. Eugene Brimmer of Boston. Mrs. Brimmer was formerly Miss Charlotte M. Young of Bennington.

The Miriam Rebekah sewing circle will meet tomorrow afternoon and all who wish to be invited to bring their lunch and stay for the rehearsal of the drill in the evening.

Cebra C. Graves, who is attending the Westminster school at Simsbury, Conn., arrived Sunday for a short visit at the home of his parents, Mr. and Mrs. Collins M. Graves.

Mrs. Hugh McGuire and three children, who have been spending a week with Mrs. Raymond Allard, left for their home in Chatham Saturday. Miss Adelaide Allard returned with them for a visit.

"Love's Crucible" stands first in depicting life interest, tense action, brisk plot, tender romance, big situations, modern life, picturesque "sets," dark intrigue and heart punch. Opera house tomorrow, Adv.

Judge C. H. Mason was taken the latter part of last week to the Samaritan hospital in Troy where he is undergoing treatment preliminary to an operation which had not been performed according to the latest reports from the institution.

George A. Allard, a former linotype operator in the Banner office, now employed at Pittsford, L. I., is visiting at his former home here for a week. He is accompanied by Mrs. Allard who will pass the better part of the week at her former home, North Adams.

Don't fail to see the big street parade tomorrow night at 8:15. Bennington City Band, automobiles, Court Bennington, No. 12 and visiting Foresters from Arlington, Williamstown, North Adams and Adams, Modern Woodmen Degree Team, etc. Adv.

Trenor P. Gregg is temporarily laid up as the result of an accident in his dental laboratory in the Noveck building. While testing a vulcanizer his left arm was severely burned from hand to elbow by steam when the packing was blown out by excessive pressure.

Mrs. Henry T. Cushman, Mrs. Carter and Miss Surdam will entertain the Bennington Chapter D. A. R. at the home of Mrs. Cushman Wednesday, April 12 at 3:30 o'clock. There will be a continuation of the "Vermont" program with special music. Members may bring their packages of Belgian flags to this meeting.

Musically inclined persons who attended the services at St. Peter's church Sunday were particularly pleased with the singing of Edward Ransom, the young son of Mr. and Mrs. Gilbert H. Ransom. The boy has been singing at the church since the boy choir was first organized and his voice has been steadily improving both in range and clearness. In one of the solo parts Sunday his notes at B flat were as perfect as in the lower register.

In "Love's Crucible" the new world Film 5-part feature starring Frances Nelson, the pitfalls and temptations that lie in the way for the young girl who seeks a career in a great city are revealed in a startling series of dramatic episodes. The picture is superbly embellished scenically and a big cast of film favorites supports the popular young star, including such names as June Elvidge, Edythe Thornton, Douglas MacLean, Fred Threlwell, Jessie Lewis, Mildred Havens and F. Lumsden Hare. Opera house tomorrow, Adv.

HOW TO START A POULTRY PLANT WITH FIVE DOLLARS.—Five dollars will start anybody in the poultry business and produce profitable results if judiciously invested.

The man or woman who is starting from the very beginning had better invest in twenty to twenty-five day old chicks at a cost of \$3.75, leaving \$1.25 for material to make a homemade fireless brooder. If twenty out of twenty-five chicks survive hatchling there will probably be twelve cockerels and eight pullets. Sell the cockerels in the summer as broilers. They will bring \$1.50 a pair. Use the money received for them to purchase a good rooster of whatever breed the chickens belong to. Mate him to the eight pullets the following spring, and you should be able to raise at least 200 chickens, besides having had eggs from your pullets during the winter. They should have begun to lay in October or November, and their eggs can be sold or used on the family table until March or early April, after which time, when they are mated to the rooster, the eggs must be used for incubation only.

The following November you should have from 100 to 150 pullets and be getting fifteen or twenty dozen eggs a week, which at an average of 40 cents a dozen will bring in from \$6 to \$8 a week, and your little poultry plant will be firmly established on a paying basis with the promise of yielding \$50 to \$60 a month by the third season.

CARE OF RUGS.

How to Keep Your Floor Coverings So They Will Last.

It is inadvisable to attempt to clean valuable rugs yourself for obvious reasons, but during spring months the best way to clean rugs at home is to turn them right side down and tap them gently with a light flexible stick or piece of rubber on the wrong side and then sweep them with a dampened broom.

Do not under any circumstances use the ubiquitous vacuum cleaner on a rare rug, since it loosens the nap when drawing out the dust. Rugs should never be packed away for summer where they cannot have monthly inspection at least. The washing of rare rugs is a simple matter for the expert, but nearly impossible for the housekeeper. Never fold a handsome rug when putting it away. Roll it in sheets of newspaper and cambric between, and then wrap it in newspapers and sew it up tightly in an enveloping sheet of nonwood covering.

A WORD TO THE WISE.

How to Pass For Being Intelligent Even if You Aren't.

The most intelligent people and the most beautiful are those who see things and get all possible pleasure out of them. An exhibition of indifference to things about you is not an evidence of intelligence. Intelligent people are those whose eyes are open, and that is the way to become intelligent. Such people, also, are the most interesting, sometimes so much so that, even though they lack physical beauty, that is forgotten in admiration for their intellect.

The victim of indifference victimizes all about her. Her friends may look upon her and admire her beauty, but if she is decidedly uninteresting even a little of her society is generally an overdose.

JUST DIP 'EM.

How to Keep Your Garden Labels From Rotting and Fading.

Gardeners frequently have trouble with plant labels rotting. The labels when used in the garden are subject to wet and heat during the season, causing the portion that is in the ground to rot, the label falls over and is lost, and the gardener loses the name of the plants. A good way to preserve wooden garden labels is to soak them in a solution of sulphate of iron. Dry the labels and then soak them in a strong solution of lime-water. This results in the formation of insoluble sulphate of lime in the wood and preserves the labels from rotting.

HOW TO RID THE CANARY OF VERMIN.

Sometimes a canary will droop and stop his song, his vitality preyed upon by lice almost microscopic. One of the simplest as well as the surest ways to relieve him is to hang a piece of soft muslin over his cage nights, in the morning removing the covering at little black dots that rest upon it. This process repeated for a week or ten days will quite rid the bird of vermin, and he will take up his song again.

HOW TO PLANT SEED TO GET THE BEST RESULTS.

A good rule to follow in planting seed is to put it in the ground at a depth about four times the diameter of the individual seed. If the soil is dry it should be pressed down firmly after sowing. In transplanting, also, the soil should be pressed tightly over the roots.

NORTH BENNINGTON

W. R. Mattison is in town for a few days.

Spafford Canfield spent the week end with relatives in Arlington.

Mr. and Mrs. Kenneth Dunham were visitors in Shaftsbury Valley Sunday.

Mrs. Ida Booth of North Adams, Mass., was a guest at Louis Millington's over Sunday.

Mrs. Edwin Hart is at Lake Pontosag on business connected with the disposal of their cottage.

Harry M. Farnham and two sons spent the week end with relatives in Shaftsbury and Arlington.

The Misses Helen and Gilda Rockwood of Bennington spent Easter with their sister, Mrs. J. L. Dunham.

The Howe Benning Missionary Circle will hold their next meeting Wednesday evening with Miss Coney E. Fruitrich.

Miss Evelyn Payne is one of the honor students at T. C. A. Poulney and will take part in the commencement exercises.

The 500 club have resumed their meetings and will be entertained this evening at the home of Mrs. Bernice Simmons.

The Junior Pathfinders promise a pleasant evening to all who attend their concert in the Baptist church this evening.

H. M. Goodermote, who is in the Albany City hospital for treatment, is doing well, and expects to be able to return home this week.

Among the Easter decorations at the Baptist church were beautiful marguerites in jars, and at the close of the morning service these were sent to the shut-in members of the congregation.

The Bennington Chapter of the D. A. R. will be entertained at the home of Mrs. H. T. Cushman, Wednesday afternoon, April 26th. The hostesses will be Mrs. H. T. Cushman, Mrs. R. B. Carter and Miss Amy Surdam.

Tucker Chapter No. 38 O. E. S. will have installation of officers, Tuesday evening in Masonic Hall. Mrs. Laura B. Cole, of Bennington, Grand Matron of the Grand Chapter of Vermont, will act as installing officer, assisted by Mrs. H. S. Walbridge, as grand marshal. All stars and their families and masons and their families are cordially invited to attend and enjoy an old fashioned social evening.

Insurance Gambling.

The Britisher's favorite gambling is insurance gambling. He will take out a policy against anything, from the death of the king to the loss of a horse race by a thoroughbred. Marine insurance gambling by those who have no direct interest in the safety of a ship or its cargo grew into such abuses that parliament was compelled to pass a drastic act to prevent such gambling on marine accidents and losses by those not otherwise concerned.—London Globe.

NERVOUS BREAKDOWN

Stamford, Conn., Nurse Tells How She Found Health.

Stamford, Conn.—"I am a nurse and suffered from a nervous breakdown. I had no appetite and could not sleep at night, and nothing seemed to help me. By chance I heard of Vinol, and after taking the first bottle I noticed an improvement, and four bottles made me well and strong, it gave me a hearty appetite, so I can sleep soundly night or day. I consider Vinol a wonderful tonic." Edith R. Forbes, Stamford, Conn.

The reason Vinol is so successful in overcoming such conditions is because it is a constitutional remedy and goes to the seat of the trouble. It is the greatest strength creator we know—due to the extractive medicinal elements of fresh cod livers with oil, combined with peptonate of iron and beef peptonate, all dissolved in a pure medicinal wine.

We have seen so many wonderful recoveries like this right here in Bennington caused by Vinol, that we feel perfectly safe in offering to return money in every such case where Vinol fails to benefit. William L. Gokay, Druggist, Bennington, Vt.

MOTORCYCLING

Get a HARLEY-DAVIDSON motorcycle and side-car. Then you can go where you will, when you will, without depending on any other means of transportation. You don't have to worry about cost of gasoline, repairs, etc., with a Harley-Davidson. You can have perfect confidence in your mount, for 14 years of real service, together with contests of every description, have proven the Harley-Davidson to be the master motorcycle.

Its three-speed transmission enables you to negotiate every road, to make play of any hill or long stretch of sand or heavy mud. As to speed, you will have more than the average rider will ever have the opportunity to use. Get the MOST out of life this Spring—this Summer—this Fall.

A SPRING RENEWAL.

How to Utilize a Castoff Feather Bed by Making Pillows of It.

A few women are fortunate in having inherited a number of old bed pillows and bolsters, and there is nothing like old fashioned feathers for dividing up into filling for sofa pillows while they last. These feathers can always be put together again for bed use if needed, and meanwhile they might just as well be used for sofa pillows as to be laid away in the storeroom.

However, not every one is so fortunate as to have accumulated the feathered bed coverings of her ancestors, and then it is found that to buy new feathers is expensive. The cheaper pillows bought ready made are filled with cotton or with soft clippings from linen and cotton rags, and a good home-made filling for a pillow may be made by cutting a roll of cotton into small squares and heating them in a pan in the oven for half an hour, taking care not to let the cotton scorch. Every square will, according to best authority, swell to twice its original size and become as light and fluffy for filling as feathers.

SCRAP THE TABLECLOTH!

How to Make Attractive Luncheon Sets to Replace a Burden.

Many of the new luncheon sets are square instead of round. Whether it is merely a passing fad or a fashion here to stay remains to be seen. These square sets have a wide hem and a drawwork border three-quarters of an inch wide, and a feature of this new drawwork is the introduction of colored threads.

Swedish weaving is another form of needlework being revived and is applied to household linens. It is really based on drawwork, but is slightly different, worked in color and quite simple. The delightful part is that after one has acquired a working knowledge of the few stitches used one can create one's own design.

Misunderstood. "Throw up your hands!" "What's this, some new system of physical culture?"—New York Press.
